Rules of the Track: For many of our drivers this may be their first time on a race course. Please be considerate to those around you. Besides the rules in the TTR, other special conditions that apply to this event follow:

1. Limited passing zones:
 - A. The beginning and end of all passing zones will be marked with colored cones lined up and located just off the racing surface. These zones and their marking

PDX - PDX - PDX - PDX - PDX - PDX - PDX - PDX

will be defined during the mandatory driver's meeting.

- B. All passes must not start until your vehicle is in the passing zone and must be completed before the end of the passing zone (NO EXCEPTIONS). It is required that passing vehicles obtain a "point by" from the driver of the vehicle being passed. All passes are to be on the left side of the passed vehicle.
2. Three strike rule – This event is run with a "three strikes and you're out rule". A strike is defined as the following:
 - A. Dropping 2 or more wheels off track.
 - B. A spin either on or off track.
 - C. Contact with another vehicle or with any type of safety barrier.
 - D. Ignoring the flags or the instructions of the corner workers or other PDX officials
 - E. Passing zone violation
 - F. Any other actions deemed by the Chief Steward or Chief Safety Steward to be unsafe or unsportsmanlike.
 - G. No refund will be issued for remaining track time for participants that receive reprimands under these rulings.

Flags and Their Meanings:

- **Yellow, standing** – something has happened ahead of you, but is off the track surface. Absolutely no passing. A yellow flag may be displayed for the first two laps of a session to allow all cars (and drivers) to warm up.
- **Yellow, waving** – something has happened ahead of you and is blocking at least some of the track surface. Slow down and be prepared to take evasive action or stop. Absolutely no passing.
- **Red & yellow, striped** – there is debris on the track ahead, possibly oil, coolant, dirt, an errant animal and/or parts of a fellow driver's car. Be prepared to respond accordingly.
- **Red** – stop as quickly as safely possible, pull to the side of the track to allow maximum room for emergency vehicles, stay in your car and await instructions from a corner worker. We REALLY don't want to show this flag!
- **Blue / yellow stripe** – a faster car is following. Allow it to pass at the next passing zone. Acknowledge the blue flag with a small wave to both the worker and the following car. This courtesy prevents tailgating, mirror driving, and promotes safety.
- **Black** – enter the pits at the next opportunity to consult with an event official.
- **Black with red/orange center ("meatball")** – there is something wrong with your car. Proceed carefully to the pits to find out what.
- **Checkered** - will only be shown on driver's left at Start/Finish line. The session is over. Proceed on a cool-off lap by slowing down and using the brakes as little as is safe. Allow your car and yourself to cool down and relax. Proceed to pit lane and attempt to wipe that silly grin off your face.
