

March 4, 2013

To: Parent and/or Legal Guardian of minor participant:

Enclosed please find the *Waiver and Release of Liability and Indemnity Agreement* to be filled out and returned to Green Savoree Mid-Ohio, LLC., dba Mid-Ohio Sports Car Course. This Agreement must be **filled out completely, signed by both parents and notarized and both pages returned** prior to the participation of a minor at Mid-Ohio Sports Car Course. This waiver must be received (10) ten days prior to the event in order for the minor to participate; **this covers only the event and dates stated on the waiver;** one signed waiver **does not** cover the entire 2013 season. **A copy of a valid birth certificate and/or drivers' license must accompany the signed, notarized waiver** verifying the minor participant is at least 14 (fourteen) years of age.

It is understood that in order for a minor participant to compete that a parent must accompany said minor to Mid-Ohio Sports Car Course and be present throughout the duration of the event before participation is allowed. **If a parent is unable to accompany said minor a Legal Guardian must be in attendance with a current letter notarized by both parents** granting the legal guardian the right to represent the parents of said minor and/or seek medical care. The letter must be brought to the Mid-Ohio Call Center and given to the Call Center Manager before the said minor may compete.

The minor's given name must be on the waiver. If the fully executed waiver and specified additional documents (birth certificate and/or drivers' license) are not received prior to the event, the minor will not be allowed to participate in the event. Faxed copies will not be accepted, **nor can the waiver be turned in at the event.** Please send to:
