Rules of the Paddock: Only the lower paved and grass paddocks will be available for this event so please plan accordingly.

Rules of the Pit and False Grid: All persons in the Pit Lane must be SCCA Members with proper credentials. There is no working on vehicles in Pit Lane or the False Grid. All vehicles must enter the track via the False Grid. All Vehicles must exit the track via the "B-C Split" from the Pit Lane. A map will be provided in your registration packet with these areas marked.

The Grid Officials will direct you to your proper grid spot prior to being released to Pit Lane – please follow their instructions. Morning grids will be set by the TT Officials. Afternoon grids will be set by prior session best lap time. Session results will be available at Drivers Information located at the base of the Pagoda Tower approximately half hour after your session. Complete results (lap comparisons) will be provided to you after the event.

Club Trial Session Procedures: The start of each Club Trial session will begin with the release of each vehicle from the Pit Lane via the Pit-Out Marshall in approximately 5-second intervals. This is done to provide initial spacing between cars. The first lap will be a timed warm-up lap but you will be under Yellow Flag control (i.e. no passing) until you receive the Green Flag at the Start/Finish line indicating the timed event is under way. While under Green Flag control, passing will be strictly enforced and limited to the designated passing zones with the appropriate point-by. The timed session will continue until the Checkered Flag is displayed at the Start/Finish stand, at which time you should cease competition speed and proceed on a cool-down lap and into the Pit Entrance at the next opportunity. Failure to come off the course after the cool-down lap will be considered Un-Sportsmanlike Conduct and will be dealt with by the Time Trial Stewards.

Rules on the Track: Please be considerate to those around you. Besides the rules in the TTR, other special conditions that apply to this event follow:

1. Limited passing zones:
 - A. The beginning and end of all passing zones will be marked with colored cones located adjacent to each side of the racing surface. These zones and their marking will be defined during the mandatory driver's meeting.
 - B. All passes must not start until your vehicle is in the passing zone and must be completed before the end of the passing zone (NO EXCEPTIONS). It is required that passing vehicles obtain a "point by" from the driver of the vehicle being passed. All passes are to be on the left side of the passed vehicle.
2. Two strike rule – This event is run with a "two strikes and you're out rule". A strike is defined as the following:
 - A. Dropping 4 wheels off track.
 - B. A spin on or off track.
 - C. Contact with another vehicle or with any type of safety barrier.
 - D. Ignoring the flags or the instructions of the corner workers or other event officials
 - E. Passing zone violation
 - F. Any other actions deemed by the Chief Steward or Chief Safety Steward to be

unsafe or unsportsmanlike.

- G. No refund will be issued for remaining track time for participants that receive reprimands under these rulings.

Flags and Their Meanings:

- **Yellow, standing** – something has happened ahead of you, but is off the track surface. Absolutely no passing. A yellow flag may be displayed at all corner stations for the first lap of a session to allow all cars (and drivers) to warm up.
- **Yellow, waving** – something has happened ahead of you and is blocking at least some of the track surface. Slow down and be prepared to take evasive action or stop. Absolutely no passing.
- **Red & yellow, striped** – there is debris on the track ahead, possibly oil, coolant, dirt, an errant animal and/or parts of a fellow driver's car. Be prepared to respond accordingly.
- **Red** – stop as quickly as safely possible, pull to the side of the track to allow maximum room for emergency vehicles, stay in your car and await instructions from a corner worker. We REALLY don't want to show this flag!
- **Blue / yellow stripe** – a faster car is following. Allow it to pass at the next passing zone. Acknowledge the blue flag with a small wave to both the worker and the following car. This courtesy prevents tailgating, mirror driving, and promotes safety.
- **Black** – enter the pits at the next opportunity to consult with an event official at the Black Flag Station (across from start stand).
- **Black with red/orange center ("meatball")** – there is something wrong with your car. Proceed carefully to the pits to the Black Flag Station for consultation.
- **Checkered** - will only be shown on driver's left at Start/Finish line. The session is over. Proceed on a cool-off lap by slowing down and using the brakes as little as is safe. Allow your car and yourself to cool down and relax. Proceed to pit lane and to the Paddock.

Waivers: Everyone entering the track must sign both the Mid-Ohio and SCCA waivers.

Additionally, any participants under the age of 18 must execute separate and individual minor waivers to both Mid-Ohio and SCCA. Since the minor waivers must be signed by parents and/or legal guardian and notarized, please contact the Registrar to get these in advance for a smoother registration and check-in experience. **All minor drivers are required to contact SCCA Club Racing for approval at 800-770-2055 prior to registering.** The completed SCCA minor waiver and information must be submitted to the Registrar, and the Mid-Ohio minor waiver sent to Bobbie Hannan (Mid-Ohio) at bhannan@midohio.com or 419-884-4502. **15 Year old drivers are NOT allowed by Mid-Ohio.**

Awards: There will be no awards given for the Club Trial event. All participants and their crew are invited to the evening dinner.

Insurance: Insurance will be provided in at least the minimum amount required by the SCCA for each participant.
