## 2017 Rally Championship Series Rules and Schedule

All entrants are eligible to earn points in each Region sponsored event. Tentative schedule is below. Driver and navigator each will earn points based on the team finishing position.

Points will be earned following the following schedule:

Finishing position	Points earned	Finishing position	Points earned
1	25	4	17
2	21	5-20	16-1
3	18	21+	0

Points can be counted from a maximum of one half (rounded up) plus 1 of the eligible rallies during the year. For 2017 that is expected to be 4 ( $6 / 2 = 3 + 1 = 4$ ).

In the case of a tie in points, winners will be determined based on best finishes and, if necessary, finishes in the 2 rallies not included in the points calculations.

Series awards will be presented at the annual Awards Banquet in January.
