RE-Port

By Regional Executive, David Santel

Who's ready for the IT Spectacular? This year promises to be the best yet, and personally, I can hardly wait to get on track! We've gained plenty of new members this year, so hopefully we'll see some of you at Mid-Ohio. If you aren't planning on participating in the race, there are still plenty of ways to have fun! First, take your daily driver and join us for the Performance Driving Experience on Friday the 30th. See what it is like to push your car on a real race track with an expert instructor in the car helping you stay safe in a controlled environment. If driving isn't your thing, we're always looking for help working the event. You too can get up close and personal to the race cars working flags at your favorite corner! Not looking to work? Just come hang out, watch some spectacular racing (pun intended), and enjoy some great company. Rumor has it that the Saturday night party tends to be quite a bit of fun! We all owe Todd Cholmondeley a huge thank you for all his hard work putting together another great event! Registration is open on Motorsportsreg.com.

The club and our members have been actively participating in racing around the area, so be sure to read through this article of the CinChronizer for updates on everyone's results. Also, don't forget that every month on the third Tuesday is our general membership meeting at the Mills Race banquet center at Winton Woods. Free food, good friends, and a cash bar are always a great time. Hope to see you at the next meeting! In the meantime, have a great time racing!

As always, stay safe and have fun racing!

Make It Easy! Make It Fun!

Solo Report

By: David Santel

The solo season is nearing the half way point, and the competition is really heating up! Several classes are tightly contested in the points race, which is really providing some great excitement! Points event 4 was lightly attended due to a few other big events in the area being scheduled on the same day, but we had a great time nevertheless. Eight runs in split heats with great weather is always a good day at an autocross. Our next event is July 18th, and registration is open on our website. Hope to see you there!

Many of our members participated in the Peru National Tour over the 4th of July weekend, and several enjoyed great success! Congratulations to Crissy Weaver for locking up the win in a very hotly contested Super Stock Ladies class. Renee Hines and Shari McCoy battled through some car troubles to take second and third place in G Prepared Ladies. In the huge Super Stock field, Greg Lloyd finished in the trophies taking 5th place, while Bryan Schafer finished 8th and co-driver Kent Weaver took 15th. Dave Santel took the final trophy spot in H-Stock finishing in 3rd place right behind 2nd place Jack Burns. In the proverbial "wrong car" for Street Touring, kid-wonder Tom O'Gorman still managed an impressive 7th place. Congrats to everyone!

Bill Niemeyer called the meeting to order.

On the motion of Brian Walker, with E.B. Lunken seconding, the April, 2010 meeting minutes were approved. Motion passed.

Treasurer's Report

Dan Chambers, treasurer, was not present.

Old Business

Bryan Schafer will consolidate and redistribute proposed revisions to club by-laws. The board will then discuss and approve prior to publishing in the CinChronizer for membership review.

Solo Report

David Santel plans to run the next couple of Solo events to help him create an SOP for running events. David will also schedule an open Solo committee meeting to discuss the path forward for the Solo program. Our next Solo event is hosted by WOR at Kilcare.

We will re-approach Wilmington later in the summer about the use of the former DHL site.

Race Report

Todd Cholmondeley presented the race report. We have done a couple of e-mail blasts on the IT*Spectacular. Registration for the race and PDX are open. Grass Roots Motorsports magazine is running an ad and we will also have an ad in Sports Car magazine.

At this point there is no Hoosier contingency for the race. Todd is considering award options to encourage additional entries. The board discussed other options that might encourage entries.

The next race committee meeting is June 7.

We will e-mail blast race info to several surrounding regions and to a Spec Miata driver list that Jerry will provide.

Brian Walker continues to promote our Club at various car shows, the most recent being an Italian car show.

The Board regretfully accepts Andy Stanford's resignation as Solo Chair and Board Member.
