It's here! 2010 is with us, and with it comes a few changes to your region. For those of you not familiar with me, my name is David Santel, and I'm your new RE for the Cincinnati region. The very first thing I would like to do as the new RE is take a minute to give a HUGE thank you to Bill Niemeyer Jr. and all of the other dedicated members that help make our club such a great success. Without their leadership and continuous efforts, our region would definitely not exist as you know it. For the previous year, I served as the region treasurer, along with filling in roles on the Solo, PDX, and IT/Spec committees. I was quickly made aware of how much time and effort goes into the planning and operation of the events that our club hosts, whether they be a solo, road race, or even advertising at a car show. In short, please take a minute to say thank you to your board and committee members, and they are solely responsible for putting on the excellent events you enjoy so much. Thanks again!

The National Convention is at the end of January. Myself, Jerry Cabe, and Dan Chambers will be attending in hopes of learning as much as possible, and to keep up to date on the happenings of the club at the national level. I look forward to bringing back plenty of information to help us out! In the meantime, don't forget that the annual awards banquet will be held on Saturday, January 16th at the Mills Race Banquet center. More information can be found at www.cincyscca.com. Also, the first meeting of the new decade will be held the following Tuesday, January 18th. Please come to the Mills Race banquet center and meet your new board of directors!

Thanks again for your support, and I am extremely excited about helping our region develop into something even more spectacular than we already are. If we haven't met, please say hi at the awards banquet!

WHAT ARE YOU WAITING FOR?

Racing in its purest form is getting from A to B the fastest. Time is the enemy. You've tested yourself in your car on occasion, and wondered how much faster you could be. Well? Here is your chance. Start your engine...and keep your foot down.

AUTO EXPO REPORT

SCCA members had a meeting on 12-8-09 to discuss our huge booth at the Duke Energy Center. We had about 8 SCCA members attend. Plans were made to handle all the work that needs to be done. Thanks everyone for your efforts. We still need cars and workers to help with the show. The Auto Expo is February 25-28th. I need conformations from people that want to help work the show by January 22nd so I can issue you Exhibitor Credentials. Anyone willing to show a car would have to deliver the car on Tuesday Feb 23 between 2-5pm or Wednesday Feb 24 between 8am-2pm. Provisions are in the works to have some cars trailered to the show. If you can help with this please let me know. All vehicles will be under 24 hour security. This show is a major factor in recruiting new members for the club so any help would be greatly appreciated.

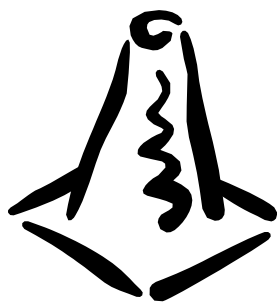

Please contact Brian Walker briax7@yahoo.com (513)519-3876 if you can help. See you at the show!

Interested in Tech Inspection?

Tim and Bobbi Ross have been Cincinnati club racing tech inspectors since 1975. They have served as chiefs for Cincinnati since the early 1990's and Bobbi served Central (areas 4 and 5) and Great Lakes (area 4) Divisions as Divisional Administrator of Scrutineering for six seasons.

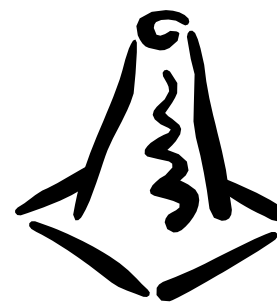

They have decided that it is time to retire as Chiefs although they will remain as "Indians". They are willing to train their replacements and will turn over the region's tools to the new chief(s). Training will begin in 2010 with the target of the new chiefs taking the reins in 2012.

Please contact the Rosses at 513-528-3232 (landline) or hugcrv@fuse.net (Tim) or bobbi.ross@fuse.net (Bobbi) for details or to volunteer to learn the specialty."
