## RE-Port

By Regional Executive, David Santel

The weather is changing, the days are shorter, and for the most part, the racing season is done for the Cincinnati Region. Both the road racing and autocross programs are finished for the year. Congratulations to everyone involved with both of these programs in making them the huge successes that they were. I personally had an incredibly enjoyable time at all of our events this year and I hope you did too. Also, a big Congratulations to all of our season class champions for autocrossing. Please, spread the word of how well run our events are and encourage a friend to participate with you next year!

With the close of the racing season, our focus has shifted to the upcoming annual banquet in January. Early details are in, and we'll be holding the banquet on January 15th, 2011 from 6-10pm at the Mill Race Banquet Center in Sharon Woods. Look for official registration details in next month's issue of the CinChronizer, as well as our website at [www.cincyscca.com](http://www.cincyscca.com), and on [www.myautoevents.com](http://www.myautoevents.com).

I wish a happy start to the holiday season to all of our members. Stay warm, stay safe, and have fun enjoying time with those you love this year. See everyone in January!

Make It Easy! Make It Fun!

- ◇ January 15, 2011 at Mill Race Banquet Center
- ◇ We need pictures, stories, and videos to show during the dinner
- ◇ Please return any traveling trophies in your possession so they may be prepped and awarded to the next recipient

The 2010 Round table was held October 30th in Dearborn Michigan across from the Ford proving grounds. Todd Cholmondeley, Dave Howard and Jerry Cabe attending. Area 4 director Marcus Merideth reported that overall the club and SCCA Pro both made a modest amount of money. 2011 Run Off invitations will be based on a points system with the top three per class in each division getting an invite. The club continues to be concerned about loss of venues with tracks turning into "country clubs". Gateway International in St. Louis is the latest casualty of the economy and is unavailable for the 2011 season.

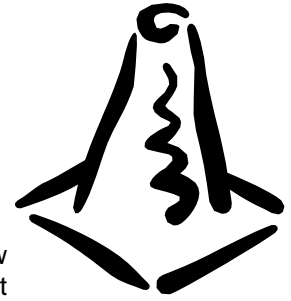

There were no major surprises in scheduling this year. Cincinnati Region has agreed to co-host a Double National with Ohio Valley Region June 10th-12th. This will give us two dates in 2011 at Mid Ohio. The I.T.SPEC\*acular will be held on July 29th( PDX)- July 31st. Other developments were the announcement of a double regional at ORP October 22nd-23rd hosted by Indy region and a quad regional being hosted by NEOhio Oct. 29th-30th. The Great Lakes Drivers School will be held May 7th-8th at Nelson Ledges. The complete schedule is posted at [www.greatlakes-scca.org](http://www.greatlakes-scca.org)

## Solo Report

By: Shari McCoy and Nathan Roberts

Well another great season has been wrapped up. Soon the snow will start falling and our cars will wonder why we don't take them out to play anymore.

We held our last event of the season, our Fall Fun Event, on Sunday October 24 at River Downs. I think everyone who participated will agree that it lived up to it's name and it was Fun. We had a great course, designed by Paul Williams, which we ran one way in the morning and the opposite way in the afternoon. The weather even cooperated. All in all, it was a great day. Our last points event was held on October 10 so points are all wrapped up for the season. Congratulations to all of our Season Winners! There were several tight races which made the season and the final event very interesting.

Thank you to everyone who helped us during our first few events, without your help and support our job would have been impossible. Also, we would like to thank everyone for coming out to the events, and we look forward to seeing you all next year. The next few months will be hard to get through without any autocross but don't fear! The next season gets closer with every passing day! We look forward to next year and can't wait to get it under way!
