Solo Report

By Nathan Roberts and Shari McCoy

It's official the 2015 solo season has started. We had our first points event of the season on April 19 at the **Wilmington Airpark**. The weather wasn't very cooperative on that day, but we had 64 people show up for an amazing day of racing. The day before that the Cincinnati region hosted a **Starting Line** school, which was a great success. Our next events are a **Test and Tune on May 23** and our second points event of the year on **May 24**. These events will be on the **pad at Wilmington Airpark**. We are looking for **volunteers** to help set up the orange snow fence prior to these events, **May 21st & 22nd**. If you are interested or available to help out, please let us know. solochair70@gmail.com

The following weekend of **May 29-31** we will be hosting our first of three National Events for the 2015 season. This event will be a **Pro-Solo** and it has already been sold out. We will be looking for volunteers to help work course during the **Pro-Solo Shoot out on Sunday May 31**. The shoot out usually starts around 1 pm and lasts until approximately 4 pm. We also need volunteers to help with waivers during the Pro-Solo if you are interested in volunteering to help make this years National Events even more successful than last years events please contact us. Any help is greatly appreciated.

Thank you all for a great start to 2015 and we look forward to seeing you at the end of the month!

PE #1 Results

In the class battles, many drivers got their first points toward individual class wins, **Philip Viars, Michael McKay, Justin King**. It was great to see **Jerry Cabe** in a return to Street class with his Mazdaspeed Miata and **Claire Frimming** in her Mazdaspeed 3 in GSL. SSR The **Weavers, Kent and Crissy** sandwich our own **Brian Schafer. Novice** with 12 entries/4 trophys **John and Alexander Albrecht** in the 2 top spots followed by **Fares Ahmad** and **Jaymond Holland**, they and the rest of the novices got a lesson of racing in the rain. Hope to see you all at the next event. **X-pro Robert Drake** in a Mini JCW bested **David Santel** and three others, while in Street Open 11 drivers were lead by **John Roflow, David Ache, Tom Giordano and Tyler Schaffer** to the trophys. Street Prepared Open saw **Chase Heikkila** in a Miata and **Gavin Narburgh** in a MG Midget top the field, with **Scott Bitzer** in the wings with his new ride, BMW 318

lightwiegthwingnut special. Street Mod Open **Doug Robling** in his Elise with **Chad Kallmeyer** with his Mini were best in class. **Myke Dziengel** in his WRX sti in Street Touring Open bested 15 entries and was followed by, **Tavis Spencer, Nathan Roberts, Obren Williams** and **Pat Witte**, while the rest of the field watched as the rain washed their pain away.

The day seemed evenly split dry then rain. **FTD** went to **Kent Weaver** with a 37.775 raw time, adding pax just didn't matter.
